

SLIMLINE FLOODLIGHT SERIES

The Slimline Floodlight range is lightweight and easy to install. Using Phillips LED chips and delivering over 120 lumens per watt, this highly efficient floodlight combines high energy savings and crisp even light distribution across its broad beam angle.

With an IP65 rating and suitability across a wide temperature range, the Slimline Floodlight is built to withstand the elements. The 70W model also includes a dual motion & lux sensor.

FEATURES

- High efficacy
- Lightweight and slimline
- Flex and plug included
- IP65 rating
- Dual motion & lux sensor (70W model)
